

**Project „Study of the European approaches to the organization of modern vocational training“**

**2024-1-BG01-KA122-VET-000226959**

The project aims to improve NAVET employees' competences in performing their work duties and responsibilities.

## PROJECT OBJECTIVES

- Increasing the team's professional competencies in connection with the adoption of new approaches for the creation of the State educational standards (SES) for acquiring vocational qualifications
- Learning how to design criteria and new methods for assessing units of learning outcomes
- Learning skills for developing curricula and programs based on SES
- Gaining experience in creating online accessible electronic databases with SES

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Co-funded by the  
Erasmus+ Programme  
of the European Union
