  Съфинансирано от Европейския съюз

**Implementation period:** 01.10.2024 – 31.03.2026 (18 months)

The project aims to improve NAVET employees' competences in performing their work duties and responsibilities.

**Specific project objectives:**

- Increasing the team's professional competencies in connection with the adoption of new approaches for the creation of the State educational standards (SES) for acquiring vocational qualifications
- Learning how to design criteria and new methods for assessing units of learning outcomes.
- Learning skills for developing curricula and programs based on SES
